HOD Profile

Dr.S.RAJAKUMAR M.E, Ph.D.

Professor and Head of the Department in Electronics and Communication Engineering

He received his B.E., degree in Electronics and Communication Engineering from Sun College of Engineering and Technology, Nagercoil affiliated to Manonmaniam Sundaranar University, Tirunelveli in the year 2003. He obtained his M.E., degree in Applied Electronics and Ph.D., in Image Processing from Sathyabama University, Chennai, India in the year 2006 and 2013 respectively. He has a total teaching experience of 21 years. He has published several articles in International Journals and Conferences. He has received the best paper award in the International Conference organized by MIT, Chrompet, Chennai.

His areas of interest include Digital Signal Processing, Image Processing, Pattern Recognition, VLSI and Communication Engineering. He has published a book on Digital Image Processing. He has organized AICTE sponsored Faculty Development on "Smart Perspectives of IoT on 5G Communication- Practical Approach" and Anna University approved Faculty Development Programme on "Wireless Sensor Networks". He has received funds worth Rs. 3.5 lakhs from AICTE. He is the member of the professional societies IEEE and ISTE.
